Canadian Made

Canadian Made & Eco-Friendly

Tempo Diploma frames are Canadian made using "ECO" friendly materials under fair labour conditions.

- All raw lumber used in the manufacturing of Tempo's molding is purchased from North American vendors who comply with all federal, state and local harvesting guidelines.
- Tempo's wood molding is made from "Poplar" which is harvested in North America and is a very sustainable wood.
- Stains and paints used on Tempo's moldings are water based and are heavy metal and lead free.
- Mats used in Tempo frames are made with recycled paper pulp, natural starch adhesives and all pigments and dyes are EPA approved.
- All Tempo mats are recyclable.

All corrugated packaging used to ship Tempo frames is made from recycled paper and can be recycled through local blue box programs.

All Tempo frames are manufactured in their entirety in Pickering, Ontario which ensures that all fair labour practices are adhered to.

- Tempo Framing Systems is a member in good standing of the "Fair Labor Association" (Member ID: 2128).

Please note the frames below are not available for pick up at the Bookstore or Convocation. Your order will be shipped to you from Tempo Framing Systems and applicable shipping charges apply (\$27.00)
